Subject: Request phone call with Lt Col Morrow

Cherie, per our phone conversation, I have an urgent need to speak with Lt Col Morrow by Monday about 2 issues:

- 1) Inner Richmond Harbor dredging project, Non-Responsive
.
- 2) Jurisdictional Determination for Redwood City salt ponds, which we understand the Corps is scheduled to issue on December 19.

Thank you for passing this message along to Lt Col Morrow. I phoned his mobile number and got a message saying his voice mail box had not been set up. And I do not have his ail address.

My contact info is below. He can call anytime that is convenient for him (weekend is fine).
